ADVISORY for Indian Students wishing to study Medical Course in Kyrgyzstan: Admission in State Medical Universities with only One Year State Accreditation Term

(25.08.2026)

****

Student aspirants are advised to take note of this Embassy's earlier Advisory dated 13.07. 2026 cautioning about taking admission in the Medical Universities that did not pass State Accreditation and also in Medical Universities that have been Accredited only for One Year Term out of the 5 Years of duration of the Medical Course.

The **State Enterprise "Foreign Student Admission Office"** under the Ministry of Science, Higher Education, and Innovations of the Kyrgyz Republic has clarified that the two Medical Universities in the list of Universities **Accredited only for One Year** namely **Kyrgyz National University named after Zh. Balasagyn** and **Jalal Abad State University named after B. Osmonov** are the State **Medical Universities** established and functioning under the direct authority of the competent State bodies of the Kyrgyz Republic. Further, these two Universities hold a **Special State Status** within the system of higher education and the One-Year accreditation term currently established for these two Universities is procedural in nature which is associated with the current stage of the institutional accreditation cycle, rather than with any substantive concerns regarding the quality of their educational activities.

In view of the assurance received from the State Enterprise "Foreign Student Admission Office", students wishing to study Medical Course in the Kyrgyz Republic **may take admission in State Medical Universities viz. Kyrgyz National University named after Zh. Balasagyn and Jalal Abad State University named after B. Osmonov** despite being Accredited only for One-year term.

2. All the Students aspiring to study Medicine in the Kyrgyz Republic should take note of the ongoing developments in the field of Medical education in the Kyrgyz Republic and the Orders being released by the State Enterprise "Foreign Student Admission Office" from time to time. All the aspiring students shall undertake due diligence in making their decision.
