ADVISORY FOR INDIAN STUDENTS ASPIRING TO STUDY MEDICINE IN KYRGYZSTAN (08.06.2026)

****

H.E. President Sadyr Japarov had signed a Decree "On the Establishment of a State Monopoly on Training of Medical Professionals" in Kyrgyzstan on August 28, 2025 for the development of education in Kyrgyzstan and modernizing the system for training personnel in the field of medicine to improve the quality of medical education and national healthcare system available to citizens. Following the Presidential Decree that introduced a State Monopoly on the training of medical specialists in the Kyrgyz Republic the Cabinet of Ministers of Kyrgyzstan approved a Resolution for State Accreditation of Secondary and Higher Medical education institutions and the government Decree setting accreditation standards was issued on April 16, 2026. As per the new requirements, all medical Universities and Colleges were required to undergo State Accreditation by June 01, 2026, and would only be able to operate under an agreement with the Kyrgyz State Medical Academy (KSMA). Universities that fail accreditation will lose their right to operate and issue Diplomas. In accordance with the Legislation, the following Universities viz. Kyrgyz State Medical Academy (KSMA), Kyrgyz Russian Slavic University (KRSU) and Kyrgyz Technical University (KTU)" MANAS" were not subject to State Accreditation.

The Ministry of Health had conducted State Accreditation process by June 1, 2026. In accordance with the Law of the Kyrgyz Republic on amendments to Legislation in the fields of Education, Science, and Healthcare (24 December 2025), the Resolution of the Cabinet of Ministers on approval of the procedure for State Accreditation of Medical Educational Institutions (16 April 2026), and based on the conclusions of External Expert Commissions and the decision of the Accreditation Council dated 29 May 2026, the **Ministry of Health has Accredited Universities as below:**
